MATCH OF THE MONTH

MARCH'S MATCH OF THE MONTH

Zoey & Lauren

March's **Match of the Month** is Zoey & Lauren! This match has been amazing for both Big (Lauren) and Little (Zoey). From doing fun crafts like learning how to embroider, to working on lessening social anxiety- this pair loves spending time together and learning from one another. Zoey's grandma says there couldn't possibly be a better match, as these two are the perfect fit!

PINT OF PARTNERSHIP

We are partnering with South Bend Brew Werks and their Beer4Good program in the month of April! For every pint sold, they will donate 50 cents to help our mission of providing mentoring relationships for youth.
