## BBBS ANNOUNCES LEADERSHIP TRANSITION

Big Brothers Big Sisters is excited to welcome Elizabeth Leachman as our new Interim Chief Executive Officer. Bill Carnegie, current CEO, announced his retirement in April.

Congratulations to both Bill and Elizabeth!

Send Elizabeth a welcome note at [Elizabeth@BecomeABig.com](mailto:Elizabeth@BecomeABig.com). Full press release and details available at [BecomeABig.com](http://BecomeABig.com).

## MATCH HIGHLIGHT

Zay and Eric have been matched for nearly 5 months, but Zay had been waiting for much longer for a match like this. After Zay's first outing with Eric, his mom said that he came home and talked about Eric for half the night. Eric and Zay have been enjoying getting to know each other over dinner, while shooting hoops, and even with archery.

Eric has shared that he is trying to remember to capture moments of the two of them together so he has something special to share with Zay at his graduation. It is the thoughts of the future that makes everyone excited to watch this match, and, more importantly, this friendship, continue to grow!
